FORUM

Customized ADR

The needs of the construction industry give rise to numerous instances where off-the-shelf dispute resolution is not functional or practical.

As a recognized leader in providing industry-specific alternative dispute resolution (ADR), the National Arbitration Forum provides the depth of case resolution experts and the breadth of years of experience to create customized construction mediation and arbitration solutions.

We provide construction rules, experienced mediators and arbitrators and ADR procedures to provide the most efficient resolution mechanisms possible.

CONSTRUCTION SOLUTIONS

Our specialized mediators and arbitrators aid in the resolution of construction claims and other real property related disputes. Some of the unique characteristics of our ADR neutrals include:

- Typical mediation experience in excess of 150 cases
- Specialized construction dispute resolution training
- All are experienced attorneys or former judges
- Hands-on experience litigating and resolving construction issues
- More than 15 years of legal experience
- National and statewide availability where the property or job site is located
- Arbitrators take an oath to follow and apply the law

SPECTRUM OF ADR SERVICES

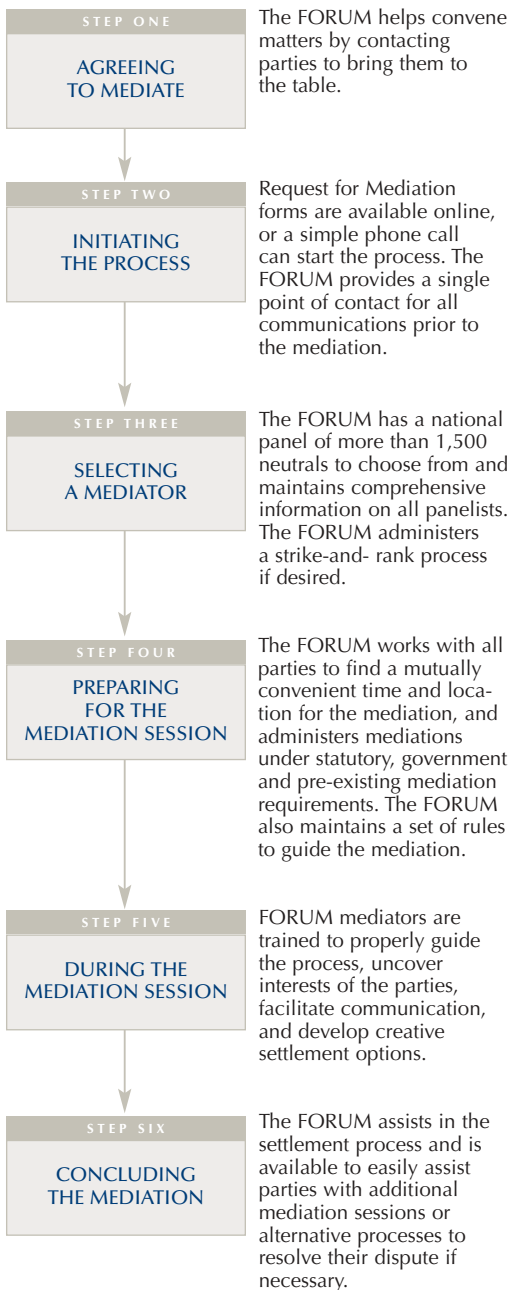

ABOUT THE NATIONAL ARBITRATION FORUM

Since 1986, we have provided out-of-court solutions to resolve disputes more efficiently, cost-effectively, and amicably. Our distinguished panel of over 1,500 legally trained mediators and arbitrators, located in all 50 states and 29 countries, resolves cases by applying substantive law, offering parties the same outcomes as court, but at a fraction of the time and cost. We can tailor solutions to meet your clients' unique needs—from small claim mediation to complex multi-party arbitration to special master panels.
