# Customized ADR

As a recognized leader in providing industry-specific alternative dispute resolution (ADR), the National Arbitration Forum (FORUM) has both the depth of case resolution experts and the breadth of years of experience to create customized mediation solutions.

Particularly in California, the needs of the construction and real estate industry give rise to numerous instances where off-the-shelf dispute resolution is not functional or practical.

The FORUM has gone to great lengths to draft rules, recruit and train panelists, and implement procedures to provide the most efficient resolution mechanisms possible.

## THE FORUM SB 800 SOLUTION

The FORUM's specialized mediation panel aids in the resolution of SB 800 related disputes. Some of the unique characteristics of the panel include:

- Typical mediation experience in excess of 150 cases
- Attended specialized training conducted by Ross Hart, Esq.
- Hands-on experience with construction issues
- Guaranteed availability within statutory guidelines
- Flat-rate pricing
- Statewide availability in the county in which the home is located (per California statute)

## FORUM'S SPECTRUM OF ADR SERVICES

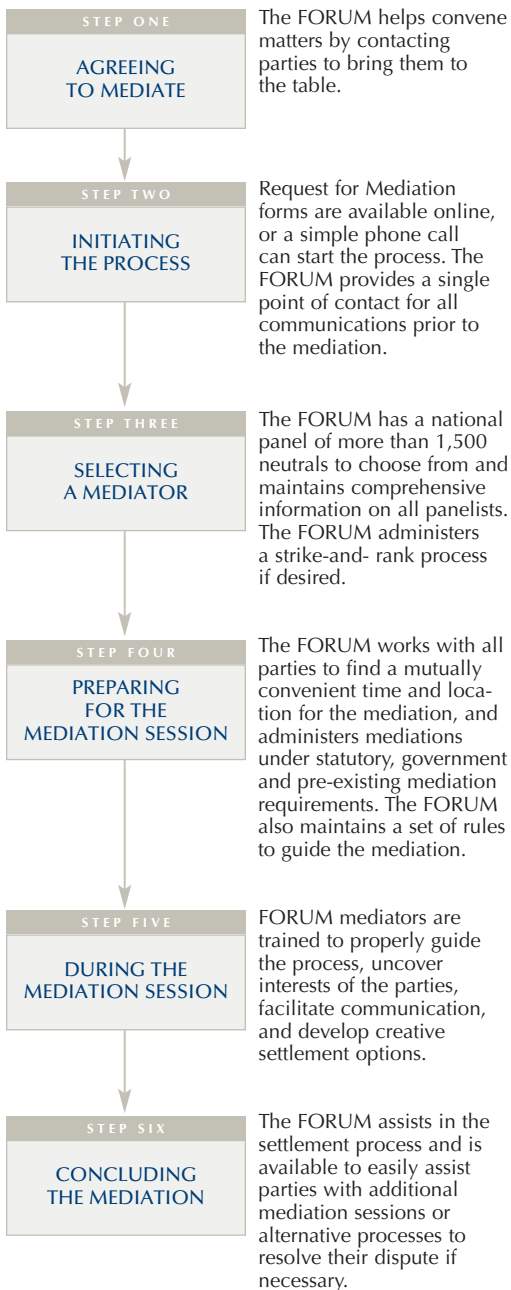

## ABOUT US

Since 1986, the FORUM has provided out-of-court solutions to resolve disputes more efficiently, cost-effectively, and amicably. Our distinguished panel of over 1,500 legally trained mediators and arbitrators, located in all 50 states and 29 countries, resolves cases by applying substantive law, offering parties the same outcomes as court, but at a fraction of the time and cost. Our solutions are used by parties in all areas of practice, including personal injury, insurance, healthcare, employment, finance, construction, real estate, automotive, and more. We can tailor solutions to meet your clients' unique needs—from small claim mediation to complex multi-party arbitration to special master panels.
